

Trudi McClure – Executive Support Manager

As the Executive Support Manager, Trudi McClure is responsible for attending to a range of mid to high level projects that are of critical operational importance to LMHS in the short term and to address longer term important strategic matters. Trudi is also responsible for developing and maturing the performance management systems of LMHS for CEO and Board Level reporting which includes the overseeing and monitoring of the agencies OHS Business Plan.

Trudi reports directly to the CEO and operates with the full authority and acts as a delegate of the CEO on all agreed projects and activities.

Trudi's qualifications include a Bachelor of Arts with majors in both Psychology and Sociology which was obtained from Victoria University and in July 2008 was appointed as a Justice of the Peace for the State of Victoria.

In addition to her responsibilities at Loddon Mallee Housing Services, Trudi is actively involved within the community having just completed a 4 year term as a Councillor with the City of Greater Bendigo.
